CASE STATUS REPORT

COMES NOW Southern Union Company, d/b/a Missouri Gas Energy ("MGE") by and through counsel, and for its Case Status Report, states as follows:

1. On August 11, 2011, the MGE filed a Motion for Suspension of the Procedural Schedule, indicating that the parties were engaged in settlement discussions and that a resolution of the case was possible. MGE further indicated that if the parties reached an agreement to resolve this matter, that a stipulation and agreement or a proposed procedural schedule would be filed with the Commission on or before August 24, 2011.

2. On August 12, 2011, the Commission filed its Order Suspending Schedule which suspended the procedural schedule in this matter.

3. Settlement discussions are still ongoing. The parties agree that additional time is needed to determine if settlement is possible and suggest that the parties be directed to file a status report if a stipulation and agreement has not been filed by September 9th, 2011. MGE has contacted the other parties in this matter and they have agreed to continue to suspend the procedural schedule and to file a case status report by September 9th.

WHEREFORE, for good cause shown, MGE prays that the Commission will permit the parties to file a status report by September 9, 2011.

Respectfully,
