**STAFF'S JUNE 30, 2017 STATUS REPORT**

**COMES NOW** the Staff of the Missouri Public Service Commission ("Staff"), by and through undersigned Staff counsel, and states as follows for the *Staff's June 30, 2017, Status Report*:

1. The Staff has previously reported that the next step in the process is that Summit Natural Gas of Missouri, Inc. ("SNG") is to provide the Staff and the Office of the Public Counsel ("Public Counsel") with SNG's proposal for a Cost Allocation Manual ("CAM") based on the Staff's draft proposal, SNG's response, and the discussions that occurred at the April meeting of the three parties.

2. Undersigned Staff counsel recently has been in contact with Counsel for SNG about when the Staff and Public Counsel may expect to receive from SNG a draft CAM proposal. Counsel for SNG indicated SNG is still working on its CAM proposal and SNG staff believes that it will be near the end of July before its CAM proposal is completed and necessary approval is obtained to provide a draft to Staff and Public Counsel.

**WHEREFORE**, the Staff submits its *June 30, 2017, Status Report*.

Respectfully submitted,
