STAFF'S DECEMBER 30, 2016 STATUS REPORT

COMES NOW the Staff of the Missouri Public Service Commission ("Staff"), by and through undersigned Staff counsel, and states as follows for *Staff's December 30, 2016, Status Report*:

1. The Staff reported in its *November 30, 2016, Status Report* that the technical staff for Summit Natural Gas of Missouri, Inc. ("SNG") had advised the Staff that it has continued its review of the Staff's proposed CAM and work on a response, but activities in another jurisdiction, which also has been occupying its time, has not permitted it to complete its review and response. SNG technical staff has recently e-mailed to the Staff a redlined version of the Staff's proposed CAM with comments and questions. The Staff has started its review of SNG technical staff's redlined version, comments and questions respecting Staff's proposed CAM. The Staff has indicated to the SNG technical staff that the Staff will get back to it shortly with a proposed plan on how best to proceed on these matters.

WHEREFORE, the Staff submits its *December 30, 2016, Status Report*.

Respectfully submitted,

/s/ Steven Dottheim
