1. On February 25, 2009, the Commission issued its Order Adopting Final Arbitrator’s Report (“Order”) in the above-referenced case, adopting in whole the Final Arbitrator’s Report issued on January 6, 2009. The Order directs the Parties to file an interconnection agreement that conforms to said order no later than March 4, 2009.
2. The Parties are in the process of creating a “conforming” Interconnection Agreement that incorporates the Commission’s decisions on each of the contested issues, but because of the timing and scope of the project will not be able to complete the work in the limited time available.
3. The Parties expect that they will be able to produce a final agreement and file same with the Commission on or before March 27, 2009 (30 days following entry of the Order), and request the Commission to extend the deadline accordingly.

WHEREFORE, the Parties respectfully request the Commission to extend the deadline for filing the conforming Interconnection Agreement and concurrent statements as set forth in 4 C.S.R. §240-36.050 as requested herein, and for such other orders as are appropriate in the circumstances.
