JOINT STATUS REPORT

COME NOW the parties and pursuant to the Commission's October 10, 2007 *Notice Regarding Status Reports* submit this joint status report:

1.   On April 6, 2010 Respondent responded to Complainants' March 11, 2010, settlement counteroffer and on August 9, 2010, Complainants made a counterproposal.

2.   On September 7, 2010, Respondent responded to Complainants' August 9, 2010 counterproposal, and Complainants are considering the same.

3.   At this stage of their negotiations, the parties have not scheduled a mediation session. However, the parties continue to believe that the stay of the proceedings imposed by this Commission in November, 2004 should remain in place for those negotiations to continue. Furthermore, the parties believe that mediation may be useful in this case.

WHEREFORE, the parties submit this status report in compliance with the Commission's order.
