Case No. GO-2012-0322

STAFF'S FEBRUARY 28, 2017 STATUS REPORT

COMES NOW the Staff of the Missouri Public Service Commission ("Staff"), by and through undersigned Staff counsel, and states as follows for *Staff's February 28, 2017, Status Report*:

1. The Staff reported in its *January 31, 2017, Status Report* that after talking with the Summit Natural Gas of Missouri, Inc. ("SNG") technical staff, the Staff provided a copy of the SNG technical staff's redlined version of the Staff's proposed CAM, including SNG's comments and questions, to the Office of the Public Counsel ("Public Counsel") for its review. The Staff also noted that it was attempting to contact SNG to discuss further steps to move forward with the development of the CAM.

2. SNG, Staff and Public Counsel were looking to the last day of February as a date for getting together in Jefferson City to talk about Staff's proposed CAM, SNG's redlining, comments and questions, and Public Counsel's input, but due to the demands of SNG's year-end audit work requiring SNG technical staff, SNG requested moving the meeting into March.

WHEREFORE, the Staff submits its *February 28, 2017, Status Report*.

Respectfully submitted,

/s/ Steven Dottheim
