For Approval of an Amendment to an Interconnection)
Agreement Under the Telecommunications Act of 1996)

ORDER DIRECTING NOTICE, SETTING INTERVENTION DEADLINE, AND MAKING HYPERCUBE TELECOM, LLC A PARTY

Issue Date: December 23, 2011

Effective Date: December 23, 2011

Syllabus: This order provides notice of this application to interested parties, establishes a deadline for intervention and for requesting a hearing, and joins the other party to the interconnection agreement, Hypercube Telecom, LLC (“Hypercube”), as a party to this proceeding.

On December 21, 2011, Southwestern Bell Telephone Company, d/b/a AT&T Missouri (“AT&T Missouri”) filed an application with the Commission for approval of a negotiated interconnection agreement with Hypercube under the provisions of the federal Telecommunications Act of 1996. AT&T Missouri states that the agreement complies with Section 252(e) of the Act in that it is consistent with public interest, convenience and necessity, and not discriminatory to nonparty carriers.

Although Hypercube is a party to the agreement, it did not join in the application. Because Hypercube is a necessary party to a full and fair adjudication of this matter, the Commission will add Hypercube as a party to this case.

The Act provides that an interconnection or resale agreement must be approved unless the state commission finds that the agreement discriminates against a telecommunications carrier not a party to the agreement, or that implementation of the agreement is not consistent with the public interest, convenience, and necessity.¹ Section 252(e)(4) of the Act provides that if the Commission has not approved an agreement within 90 days after submission, the agreement shall be deemed approved. The Commission finds that proper persons shall be allowed 15 days from the issuance of this order to file a motion for hearing. The Commission also finds that notice of this application shall be sent to all interexchange and local exchange telecommunications companies.

THE COMMISSION ORDERS THAT:

1. The Commission's Data Center shall send notice to all interexchange and local exchange telecommunications companies.
2. Hypercube Telecom, LLC is made a party to this case.
3. Any party wishing to request a hearing shall do so by filing a pleading no later than January 9, 2012, with:

Steven C. Reed, Secretary
Missouri Public Service Commission
Post Office Box 360
Jefferson City, Missouri 65102

Or by using the Commission's electronic filing and information service.

4. If no other person or entity intervenes, the Staff of the Commission shall file a memorandum advising either approval or rejection of this agreement and giving the reasons therefor no later than January 23, 2012.

¹ 47 U.S.C. § 252(e).

5. This order shall become effective upon issuance.
