

## **LEE'S SUMMIT** MISSOURI

3/6/2015

**City of Lee's Summit  
220 SE Green Street  
Lee's Summit, MO 64063**

AT&T TNAC,

This Letter of Intent represents a request by the City of Lee's Summit for 1000 numbers for BVoIP service. The City of Lee's Summit intends to order service, in the LEESUMMIT rate center, on the KSCYMO410EW switch pending AT&T's successful completion of the required testing. The City of Lee's Summit intends to activate these numbers within 180 days from AT&T's receipt of the numbers.

We do not have any restrictions in the range of numbers requested but we would prefer that they are within the same 1000 block of numbers such as 2000-2999.

We are in need of these additional numbers because we are migrating legacy voice services to SIP trunking by installing 2 new IP Flex circuits and porting approximately 1500 numbers in addition to the new 1000 numbers that we are requesting.

Sincerely,

A handwritten signature in black ink, appearing to read 'Steve Marsh', with a stylized flourish at the end.

**Steve Marsh  
Chief Technology Officer**
