STAFF RECOMMENDATION

COMES NOW the Staff of the Missouri Public Service Commission and submits its Recommendation as follows:

1. On October 27, 2021, Southwestern Bell Telephone Company, d/b/a AT&T Missouri ("AT&T Missouri") filed with the Missouri Public Service Commission its *Application for Approval of Interconnection Agreement* between itself and NetGenuity, Inc.

2. 47 USC 252(e)(2) provides that a state commission may only reject an interconnection agreement adopted by negotiation if the agreement discriminates against a telecommunications carrier not a party to it or its implementation is not consistent with the public interest, convenience, and necessity.

A copy of the Agreement was filed with the *Application*. AT&T Missouri is certificated with the Commission as an incumbent local exchange carrier. NetGenuity, Inc. is a wireless/cellular carrier.

WHEREFORE, Staff recommends the Commission approve the *Application* and grant such other and further relief as the Commission finds appropriate in the circumstances.
