Case No. GN-2003-0017

**REQUEST TO SUSPEND DATE FOR FILING PROPOSED
PROCEDURAL SCHEDULE**

COMES NOW Missouri Pipeline Company ("MPC") and for its Request to
Suspend Procedural Schedule respectfully states as follows:

1. On September 12, 2002, the Commission issued an Order Setting Prehearing Conference and Requiring Filing of Procedural Schedule ("Order"). The Order set a prehearing conference for September 23, 2002, and ordered the parties to file a proposed procedural schedule September 30, 2002.
2. On September 23, 2002, the parties met for the scheduled prehearing conference and discussed reaching a stipulation and agreement in this case which would resolve all outstanding issues herein. The parties are currently in the process of circulating among themselves stipulation language to achieve this result.
3. Although the parties are reviewing stipulation language to resolve this case, it will not be possible to have the stipulation finalized and signed by September 30, 2002. As stated above, the Order currently requires the parties to file a proposed procedural schedule September 30, 2002. If a stipulation is reached, as the parties hope, there will be no need for a procedural schedule.
4. In order to allow the parties to review the stipulation language currently being circulated and to hopefully finalize and file a stipulation in this case, the

requirement that the parties file a proposed procedural schedule September 30, 2002, should be suspended.

5. Counsel for MPC has been authorized by counsel for Staff and the Office of the Public Counsel, the only other parties to this case, to request that the Regulatory Law Judge suspend the requirement that the parties file a proposed procedural schedule September 30, 2002.

WHEREFORE, MPC respectfully requests that an order be issued which suspends the requirement that the parties file a proposed procedural schedule September 30, 2002.

Respectfully submitted,

Jeffrey A. Keevil #33825
