STAFF'S NOVEMBER 30, 2016 STATUS REPORT

COMES NOW the Staff of the Missouri Public Service Commission ("Staff"), by and through undersigned Staff counsel, and states as follows for *Staff's November 30, 2016, Status Report*:

1. The Staff reported in its *October 31, 2016, Status Report* that the technical staff for Summit Natural Gas of Missouri, Inc. ("SNG") had advised the Staff that it was in receipt of Staff's proposed CAM, had reviewed the proposal, and was working on a response, which it proposed to submit to the Staff and Public Counsel shortly. The technical staff of SNG has further advised the Staff that it has continued its review of the Staff's proposed CAM and work on a response, but activities in another jurisdiction, which also have been occupying its time, has not permitted it to complete its review and response. SNG technical staff has indicated that it is intending to get back to the Staff with questions and comments in the next month.

WHEREFORE, the Staff submits its *November 30, 2016, Status Report*.

Respectfully submitted,

/s/ Steven Dottheim
