ORDER OF RULEMAKING

By the authority vested in the Public Service Commission under section 386.410, RSMo 2016, the commission amends a rule as follows:

4 CSR 240-2.010 Definitions is amended.

A notice of proposed rulemaking containing the proposed rule amendment was published in the *Missouri Register* on December 17, 2018 (43 MoReg 3762). No changes have been made in the proposed amendment so it is not reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the Code of State Regulations.

SUMMARY OF COMMENTS: The public comment period ended January 16, 2019, and the commission held a public hearing on the proposed rule on January 29, 2019. The commission received timely written comments in support of the amendment from Travis J. Pringle, Legal Counsel, on behalf of the staff of the commission. Additional written comments suggesting changes were received from Paula N. Johnson, Senior Corporate Counsel, on behalf of Union Electric Company d/b/a Ameren Missouri ("Ameren Missouri"). Written comments in support of Ameren Missouri's comments were received from Diana C. Carter, Brydon Swearengen & England, PC, on behalf of Spire Missouri ("Spire"). The commission received comments at the hearing regarding the amendment from Jamie Myers, Commission Staff Deputy Director, on behalf of the staff of the commission ("staff"), Caleb Hall, Attorney, on behalf of the Office of the Public Counsel ("OPC"), and Jim Fischer, Fischer & Dority, PC, on behalf of Kansas City Power & Light Company and KCP&L Greater Missouri Operations Company (collectively referred to as "KCP&L/GMO").

COMMENT #1: Staff made comments supporting the amendment of this rule indicating that this update of the rule removes nonexistent positions and properly defines staff counsel. Staff stated that this rulemaking was undertaken in response to Executive Order 17-03 and is being proposed in order to consolidate, streamline, and improve the user-friendliness of the commission's regulations.

RESPONSE: The commission believes the proposed definition adequately describes the role of staff counsel. No change was made as a result of this comment.

COMMENT #2: Ameren Missouri filed written comments and made comments at the hearing agreeing that the definition of "staff counsel" needs an update. Ameren Missouri believes that too much of the definition is being removed. Ameren Missouri proposed changes to clarify how staff counsel receives direction within the agency for the purpose

of adding additional transparency to the definition. Spire's submitted written comments supporting Ameren Missouri's written comments. KCP&L/GMO, commented at the hearing that KCP&L/GMO agreed with Ameren Missouri's comments.

OPC commented that the proposed amendment maintains staff's independence. OPC suggested that taking the language that staff operates independently out of the definition and placing it in a separate subsection might address Ameren Missouri's concerns.

RESPONSE: The commission does not feel it is necessary to have a separate subsection designating that staff operates independently. No change was made as a result of this comment.
