STAFF RECOMMENDATION

COMES NOW the Staff of the Missouri Public Service Commission and submits its Recommendation as follows:

1. On February 24, 2020, Teleport Communications America, LLC, filed with the Missouri Public Service Commission its *Application of Teleport Communications America, LLC for Approval of an Adoption of the Interconnection Agreement between Kingdom Telephone Company and Charter Fiberlink-Missouri, LLC*.

2. 47 USC 252(e)(2) provides that a state commission may only reject an interconnection agreement adopted by negotiation if the agreement discriminates against a telecommunications carrier not a party to it or its implementation is not consistent with the public interest, convenience, and necessity.

3. In lieu of a Memorandum, Staff hereby states that the Interconnection Agreement does not discriminate against telecommunications carriers not parties to it, nor is its implementation inconsistent with the public interest, convenience or necessity. A copy of the Agreement was filed with the *Application*. Teleport Communications America, LLC, is certificated with the Commission as a competitive local exchange carrier and an interexchange carrier. Kingdom Telephone Company is certificated with the Commission as an incumbent local exchange carrier.

WHEREFORE, Staff recommends the Commission approve the *Application* and grant such other and further relief as the Commission finds appropriate in the circumstances.

Respectfully submitted,

/s/ Whitney Payne
