RE: **Network Communications International Corp**  
**Revision to PSC MO Tariff No. 2**  
**Tracking # XN-2015-0087**

Dear Mr. Woodruff:

Pursuant to 4 CSR 240-2.062, please accept this as notification of the following requirements –

240-2.062 (3)(C) – Verification that Network Communications International Corp. (NCIC) has reviewed its contacts in EFIS and that they have been updated to reflect the d/b/a Inmate Phone Service.

240-2.062 (1)(C) – Customer Notice Requirement –

NCIC is an alternate operator services provider, providing automated operator-assisted collect and prepaid calling services to inmates and other incarcerated persons throughout the state of Missouri. NCIC does not offer any presubscribed services. As a result, direct notification to end users is not possible. However, each operator-assisted call is “branded” so that the company’s name, including the d/b/a, is provided every time a call is placed.

Any questions you may have regarding this filing should be directed to my attention at 407-740-3005 or via email to [swarren@tminc.com](mailto:swarren@tminc.com). Thank you for your assistance in this matter.

Sincerely,

/s/Sharon R. Warren
