STAFF RECOMMENDATION

COMES NOW the Staff of the Missouri Public Service Commission (Staff) and for its *Recommendation* states:

1. The Commission previously granted a certificate of service authority to Mobilitie Management, LLC, on May 1, 2016, to provide basic local exchange and non-switched local telecommunications services in Case No. CA-2016-0260.

2. The Company notified the Commission August 27, 2021, that it wished to voluntarily relinquish its certificate of service authority in a letter filed to open this docket. The Company explained that it does not currently provide services to any Missouri customers at this time so no customers will be affected by this cancellation.

3. Pursuant to 20 CSR 4240-28.011(3) notice shall be provided to the Commission to cancel certification(s) or registration(s) previously granted by the Commission. Notice should comply with the following requirements: (A) The company should submit written notice to the commission, as in a letter, containing the following information: (1) a statement requesting cancellation of a company's certification or registration and citing the specific certificates of service authority and/or registrations; (2) If the company also has a currently effective tariff, then the letter should also request cancellation of the tariff; (B) The letter can be signed by a company official and does not

need to be signed or filed by an attorney; and (C) The letter should be electronically filed in EFIS.

4. The Commission has the authority to cancel a telecommunications certificate pursuant to Section 392.410.5 RSMo 2000, which provides “[a]ny certificate of service authority may be altered or modified by the commission after notice and hearing, upon its own motion or upon application of the person or company affected.”

5. The Commission need not hold a hearing, if, after proper notice and opportunity to intervene, no party requests such a hearing. *State ex rel. Rex Deffenderfer Enterprises, Inc. v. Public Service Commission*, 776 S.W.2d 494 (Mo. App. W.D. 1989). The Company has complied with all necessary requirements.

WHEREFORE, Staff respectfully recommends the Commission cancel the certificate of service authority to provide basic local exchange and non-switched local telecommunications services of Mobilitie Management, LLC; and grant such other and further relief as the Commission finds just in the circumstances.

Respectfully submitted,

/s/ Whitney Payne
