STAFF STATUS REPORT

COMES NOW the Staff of the Public Service Commission, and states:

1. On May 29, 2007, US Cable Telecom of Missouri, LLC (Applicant) filed an application seeking authority to provide telecommunications services. On June 21, 2007, the Commission issued an order directing Staff to either file its recommendation or file a Status Report no later than July 12, 2007, to notify the Commission of the date that Staff will file a response or recommendation in this case.

2. Before Staff can complete its recommendation, it has requested additional information from the Applicant. The Applicant has indicated that it will provide the information to Staff as soon as it can be prepared and submitted. The information Staff has requested will be filed in this case file. Staff intends to file its recommendation as soon as it is able to process the information it will receive from the company, and anticipates it will be able to do so within ten days of the date the information is filed in this case file by the Applicant. Staff expects the filing in the very near future.

3. As the Applicant has not filed a proposed tariff with its application, the Commission has no deadline to act upon the Applicant's application.

WHEREFORE, Staff states that it intends to file its recommendation in this matter within ten days of the date the Applicant files additional information in this case file.

Respectfully submitted,
