**JOINT MOTION TO MODIFY PROCEDURAL SCHEDULE  
AND  
JOINT MOTION FOR EXPEDITED TREATMENT**

Come now Kansas City Power & Light Company (“KCP&L”), KCP&L Greater Missouri Operations Company (“GMO”), Earth Island Institute d/b/a Renew Missouri (“Renew Missouri”), and the Staff of the Missouri Public Service Commission (“Staff”) (collectively “Joint Movants”), and pursuant to 4 CSR 240-2.080, request that the Commission suspend the procedural schedule as it relates to Renew Missouri’s Complaints against KCP&L and GMO, pending consideration of the Non-Unanimous Stipulation And Agreement filed in File Nos. ET-2014-0059 and ET-2014-0071.

1. On October 3, 2013, KCP&L, GMO, Staff, and Earth Island Institute d/b/a Renew Missouri (“Renew Missouri”), among other parties, filed a Non-Unanimous Stipulation And Agreement (“Agreement”) which resolves the issues in File Nos. ET-2014-0059 and ET-2014-0071. As a part of the Agreement in ET-2014-0059 and ET-2014-0071, Renew Missouri has agreed to dismiss its Complaints against KCP&L and GMO in this case if the Commission approves the Agreement.

2. Under the procedural schedule approved in this case, surrebuttal testimony is due by October 8, 2013. Therefore, it is important for the Commission to suspend the procedural schedule before October 8, 2013, as requested herein, to avoid the necessity of filing surrebuttal testimony in a case that may be dismissed in the near future.

**WHEREFORE**, for all of the reasons stated above, Joint Movants ask the Commission to suspend the procedural schedule as it relates to the Complaints against KCP&L and GMO pending consideration of the Non-Unanimous Stipulation And Agreement in File Nos. ET-2014-0059 and ET-2014-0071. In addition, the Joint Movants request that the Commission grant this motion before the October 8, 2013 deadline for filing surrebuttal testimony, and to further grant Joint Movants such other relief as the Commission deems appropriate.

**Respectfully submitted,**

STAFF OF THE MISSOURI PUBLIC SERVICE  
COMMISSION

KCP&L GREATER MISSOURI  
OPERATIONS COMPANY AND KANSAS  
CITY POWER & LIGHT COMPANY
