**MOTION OF CANCEL  
CERTIFICATE OF AUTHORITY**

**COMES NOW** the Staff of the Missouri Public Service Commission and for its motion, states as follows:

1. On June 15, 2015, Magnum Networks, LLC ("the Company") was granted authority to provide basic local and interexchange telecommunications services in File No. LA-2015-0283. The Company has approved tariffs on file, as noted above.

2. On August 30, 2016 the Company's Bankruptcy Trustee notified the Commission that the Company was no longer in business. Because the Company is not providing telecommunications services in Missouri, the Staff moves that the Commission cancel its certificate.

3. The Commission has the authority to cancel a telecommunications certificate pursuant to Section 392.410.5 RSMo 2000, which provides "[a]ny certificate of service authority may be altered or modified by the commission after notice and hearing, upon its own motion or upon application of the person or company affected."

**WHEREFORE**, Staff recommends that the Commission cancel the Certificate of Service Authority of Magnum Networks, LLC to provide basic local and interexchange telecommunications service in Missouri, and cancel the accompanying tariffs.

Respectfully submitted,
