

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of the Cancellation of the)	
Certificate of Service Authority of)	<u>File No. LD-2019-0XXX</u>
Advanced Integrated Technologies, Inc.)	Tariff No. YX-2004-0301

MOTION TO CANCEL CERTIFICATE OF SERVICE AUTHORITY AND TARIFF

COMES NOW the Staff of the Missouri Public Service Commission (Staff) and moves for the Missouri Public Service Commission (Commission) to cancel the certificates of service authority to provide interexchange and competitive local exchange services and currently effective tariff of Advanced Integrated Technologies, Inc. (Company) and states:

1. The Commission previously granted a certificate to Advanced Integrated Technologies, Inc., on November 3, 2003, to provide competitive local exchange services in Case No. CA-2004-0125. The Commission also granted a certificate to the Company on October 16, 2003, to provide intrastate interexchange service authority in Case No. XA-2004-0126.

2. The Company notified the Commission March 29, 2019, that it wished to voluntarily relinquish all of its wireline authority in an indication on its Statement of Revenue filed for calendar year 2018. The Company has a currently effective tariff, Tariff No. YX-2004-0301.

3. Pursuant to 4 CSR 240-28.011(3) notice shall be provided to the Commission to cancel certification(s) or registration(s) previously granted by the Commission. Notice should comply with the following requirements: (A) The company should submit written notice to the commission, as in a letter, containing the following information: (1) a statement requesting cancellation of a company's certification or

registration and citing the specific certificates of service authority and/or registrations; (2) If the company also has a currently effective tariff, then the letter should also request cancellation of the tariff; (B) The letter can be signed by a company official and does not need to be signed or filed by an attorney; and (C) The letter should be electronically filed in EFIS.

4. The Commission has the authority to cancel a telecommunications certificate pursuant to Section 392.410.5 RSMo 2000, which provides “[a]ny certificate of service authority may be altered or modified by the commission after notice and hearing, upon its own motion or upon application of the person or company affected.”

5. The Commission need not hold a hearing, if, after proper notice and opportunity to intervene, no party requests such a hearing. *State ex rel. Rex Deffenderfer Enterprises, Inc. v. Public Service Commission*, 776 S.W.2d 494 (Mo. App. W.D. 1989).

WHEREFORE, Staff respectfully recommends the Commission cancel the certificates of service authority to provide interexchange and competitive local exchange services and currently effective tariff of Advanced Integrated Technologies, Inc.; and grant such other and further relief as the Commission finds just in the circumstances.

Respectfully submitted,

/s/ Whitney Payne
