Re: Omniplex Interconnection Agreement  
Case No. TO-2000-450

Dear Judge Roberts:

It has come to the Company's attention that the interconnection agreement submitted for approval in the above-referenced docket contained an appendix that pertained only to the Company's operations and services in the State of Oklahoma. The appendix consumes approximately 100 pages, or more.

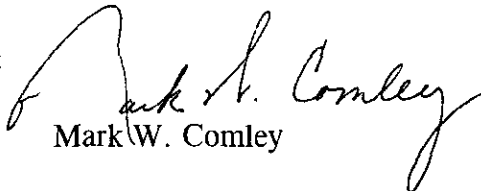

Let this serve as Omniplex's withdrawal of the Oklahoma appendix for Commission review and approval. Although Southwestern Bell has not been canvassed about this issue, it is unlikely that it would have any objection to this action.

If there are any questions whatsoever, do not hesitate to contact me.

Very truly yours,

NEWMAN, COMLEY & RUTH P.C.
