Re: KCP&L Greater Missouri Operations Company (GMO) Tariff Filing No. HT-2011-0343

Dear Tim,

The Commission ordered on November 2, 2011 in File No. HC-2010-0235 GMO to refund \$2,885,456 to its steam customers through the Quarterly Cost Adjustment (QCA). The tariff sheet filed by GMO on October 14, 2011 to modify its QCA, does not implement the refund ordered by the Commission in File No. HC-2010-0235. Since the Commission issued an order denying GMO's request for rehearing, it is Staff's position, at this time, to recommend to the Commission that it reject the tariff sheet filed because it does not contain the amount the Commission ordered GMO to refund. Staff encourages GMO to file a new tariff sheet pursuant to its Quarterly Cost Adjustment Rider that incorporates the ordered refund. To facilitate timely filing of its Staff Recommendation and timely processing of this case, Staff requests GMO withdraw its proposed tariff sheet and file a tariff sheet that includes the refund before the end of business of day, November 7, 2011. If GMO is not going to withdraw the tariff sheet and file a new tariff sheet, please let me know before the end of business day November 4, 2011.

Please contact me if you have any questions.

Sincerely,

Lena M. Mantle
Manager, Energy
Missouri Public Service Commission
