Re: Cancellation of CC&N Certificate for MaxTel USA, Inc.

This is to advise you that MaxTel, USA, Inc., a long distance reseller, ceased to have customers as of April, 2002. MaxTel USA is no longer engaged in the long distance reseller business and therefore all tariffs should be cancelled effective immediately, as well as the Certificate of Public Convenience and Necessity to provide resold competitive intra-state telecommunications services within the State of Missouri.

Thank you for your assistance in this matter. Should you have any questions, you may contact me at 877-744-8044 Monday through Friday between the hours of 8:00 AM and 5:00 PM EST.
