APPLICATION FOR AUTHORITY TO CEASE OPERATIONS
IN THE STATE OF MISSOURI AND FOR WITHDRAWAL
OF INTEREXCHANGE TELECOMMUNICATIONS SERVICES TARIFF

COMES NOW, A.R.C. Networks, Inc. d/b/a InfoHighway ("A.R.C."), by and through its attorneys, and hereby applies pursuant to 4 CSR 240-3.560 for authority to cease operations in the State of Missouri and for withdrawal of A.R.C. MO P.S.C. TARIFF No. 1 applicable to interexchange telecommunications services within the State of Missouri.

In Missouri, A.R.C. was authorized to provide interexchange services pursuant to a grant of authority in Case No. TA-97-385. A.R.C. previously sought, and was granted, authority to migrate a substantial portion of its interexchange services customers to a sister company, Broadview Networks, Inc.¹ In order to continue serving those of its customers which were not migrated to Broadview Networks, Inc., A.R.C. retained its interexchange authorization. Following the consummation of the customer migration, the remainder of A.R.C.'s interexchange customers have transitioned of their own accord to alternative service providers. Accordingly, A.R.C. hereby requests that the Commission cancel A.R.C.'s authority to provide competitive interexchange services in Case No. TA-97-385 as of December 31, 2010, and that the Commission also cancel A.R.C.'s MO P.S.C. TARIFF No. 1 on the same date.

A.R.C. does not actively market any telecommunications services in Missouri and does not intend to do so in the future. A.R.C. presently has no telecommunications services customers

in Missouri; accordingly, there are no customers upon whom notice of cessation of service may be served. A.R.C. is current with all reports and other filings required by the Commission.

For the foregoing reasons, A.R.C. respectfully submits that the public interest, convenience and necessity would be furthered by grant of this Application on an expedited basis.

Respectfully submitted,
