STATUS REPORT

COMES NOW the Staff of the Missouri Public Service Commission (“Staff”), through the undersigned counsel, and makes its Status Report concerning this matter:

1. On February 14, 2011, Zayo Group, LLC filed an application with the Missouri Public Service Commission for a Certificate of Service Authority as described in the above caption. Zayo is a Delaware company with its principal place of business at 400 Centennial Parkway, Suite 200, Louisville, Colorado 80027.

2. On the same day, the Commission issued an Order in which it directed the Staff to file its Status Report on or before March 11, 2011. As of the date of this filing, the Application remains incomplete. The Company has not filed a tariff, so no tariff effective date requires a response within a certain period of time; an extension will allow it to complete its application. The Staff will file its Recommendation within ten days after the Application is complete, which the Staff believes will happen soon, as the items outstanding, though required, are not burdensome or time consuming.

WHEREFORE, the Staff reports that it expects to file its Recommendation within the next two weeks.

Respectfully submitted,

Colleen M. Dale
