**SECTION 3. DESCRIPTION OF SERVICES**

- 3.1 Trial Services - The Company may offer new services, not otherwise tarified, from time to time on a trial basis subject to Commission approval. Such trials are limited to a maximum of six months at which time the trial offering must be either withdrawn or made available on permanent basis.
- 3.2 Promotional Offerings - The Company will provide notification to the Commission of its intent to offer promotional services and rates. The Company may offer existing services on a promotional basis, that provides special rates, terms, or conditions of service. Promotional offerings will have a duration and effectiveness of no longer than six (6) months. Promotional offerings will begin one at least one (1) day notice to the Commission.
- 3.3 Individual Case Basis ("ICB") Offerings – Pursuant to Section 392.200.8 RSMO. Customer-specific Individual Case Basis (ICB) pricing is authorized only for: (1) dedicated, nonswitched, private line, and special access services, (2) central office based switching systems which substitute for customer premise, private branch exchange (PBX) services and (3) any retail business service. Company will provide copies of its customer contracts to the Staff, upon request, on a proprietary basis.
- 3.4 Customized Pricing Arrangements ("CPAs") Offerings - The Company may offer CPAs to eligible customers. Each CPA is customized to meet the specific needs of a customer. Rates quoted are different from the tarified rates. CPA rates must be provided under contract to a customer and the contract filed (can be under seal) with the Commission.

**SECTION 5. INTERCARRIER ARRANGEMENTS**

5.1 Interconnection and Termination of 251 (b)(5) Traffic

5.1.1 Interconnection

Arrangements for interconnection by incumbent local exchange carriers and competitive local carriers with the Company's facilities for the completion of telecommunications traffic will be negotiated on a case-by-case basis.

Stockton, CA 95204

**SECTION 5. INTERCARRIER ARRANGEMENTS (Cont'd)**

5.2.3 **TOLL FREE ACCESS SERVICE** - Toll Free (8XX) is an originating only trunk side switched access service. This service provides for the forwarding of customer-dialed 8XX + NXX – XXXX calls to a customer, based on the dialed 8XX number. When a customer originates an 8XX call, Pac-West will perform the customer identification function based on the dialed digits to determine the customer location to which the call is to be routed. Customer must limit originating 8XX calls to only LATAs from which Pac-West has a presence. Calls originating from a LATA in which Pac-West does not have a presence will be routed to an announcement.

8XX access usage measurement shall be in accordance with the regulations set forth in 5.2.1 preceding. The customer's 8XX Access Service traffic may be combined in the same trunk group arrangement with the customer's non-8XX Access Service traffic or provisioned on a separate trunk group, unless prohibited by technical limitations.

5.2.4 **RATES** - In addition to the switched access charges listed above, an 8XX query charge will apply for each 8XX call query received at the Telephone Company's 800 database. Per query charges are accumulated over a billing period and billed to the Customer on a monthly basis.

8XX Query Charge	
Per query	\$.010000

5.2.5 **LOCAL TRANSPORT SERVICE** - Local Transport Service provides for all or any part of the transmission and switching of calls originating or terminating from the End User designated premises to the switch(es) and beyond where the End User traffic is transported by Pac-West when the End User is served by a Carrier other than Pac-West. For any originating toll free call that utilizes Pac-West's Local Transport Service, Pac-West will charge the toll free query charge documented in this section in addition to the per mou Local Transport Service charge listed below.

5.2.6 **LOCAL TRANSPORT SERVICE RATES**

Rate Element	Charge
Local Transport Service, per mou	\$.007481
