America's Directory Assistance Solution

Save your business thousands

by routing directory assistance calls around your telecom provider and avoiding their outrageous fees.

You don't have to switch providers or even modify your current contract. Here's how easy it is:

Reduce Your Directory Assistance Costs By 75%

- ▶ Nationwide residential and business lookups are **just 49¢ or less** (call for volume discounts). Compare that to the \$1.25 SBC, Verizon and BellSouth routinely charge, or the \$2.49 per call rate from Sprint or MCI.
- ▶ No FCC/Federal excise tax **saves you an additional 13%**.
- ▶ Call-completion **blocked**, eliminating extra fees.

Same Service and Accuracy As The Big Bells

- ▶ We provide you with an exclusive toll-free number that rings into the **same USA call centers** used by AT&T and others (they handle over 15 million calls a month).
- ▶ Your PBX can insert our toll-free number in place of "411" or "555-1212." That means **no special numbers to dial**. It's totally transparent to the user.
- ▶ No PBX? No problem. We can use a process called ANI screening, allowing **only the phones you authorize** access to the toll-free.
- ▶ You'll always talk to a **real person** right here in the USA.
- ▶ Our database is **updated nightly**. Accuracy is verified by an independent auditing firm to be above the industry standard.
- ▶ Make **two number requests** per call and get reverse directory assistance listings at no extra charge.

InfoSave®

InfoSave saves corporations money on Directory Assistance. Employees call Directory Assistance every day - but Directory Assistance service is probably not in a company's local/long distance contract. INFONXX's InfoSave means real savings every working day. And with Group Connect® - an internal directory service for corporate and government enterprises - designated groups of users have access to a common directory listing not available elsewhere, such as direct dial office numbers or extensions.

Our Famous

Lobster Dinner GUARANTEE

Our directory assistance rates are the best in the industry.

If you find **100% AMERICAN, LIVE-OPERATOR, NATIONAL DIRECTORY ASSISTANCE** for less, we'll either beat that rate or overnight you a delicious lobster dinner for two fresh from Maine.

You'll get a great deal or a great meal. Just give us a call.

Client Satisfaction That's Second To None

- ▶ **Customized invoicing** for multiple locations or departments.
- ▶ Simple **monthly agreement** with no set-up fees or hidden charges.
- ▶ **Volume discounting** will lower your directory assistance rate even more (give us a call).

411Saver's corporate directory assistance is equal to or better than what you're using now. In other words, "Same service. So much less."
