Re: *Case No. EM-2000-753*

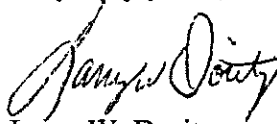

Dear Mr. Roberts:

This letter is written on behalf of our client, Kansas City Power & Light Company ("KCPL"), the Applicant in the above-referenced proceeding. On October 12, 2000, the Commission issued its "Order Granting Late-Filed Application to Intervene of Enron Energy Services" in this matter, referencing the fact that "[N]o party has filed a response to Enron's motion to intervene." KCPL respectfully wishes to inform the Commission that it was not served with a copy of Enron's late-filed motion to intervene and, in fact, a review of the Commission's file in this matter reveals that no certificate of service is attached to said motion.

KCPL does not wish to file a motion for reconsideration or to have the Commission further address this particular issue. Rather, we would simply request that any further pleadings filed in this matter on behalf of Enron be required to conform to the Commission's Rules of Practice and Procedure.

Thank you for bringing this letter to the attention of the appropriate Commission personnel.

Very truly yours,

  
Larry W. DORITY
