STAFF RECOMMENDATION

COMES NOW the Staff of the Missouri Public Service Commission and submits its *Recommendation* as follows:

1. On February 18, 2022, Southwestern Bell Telephone Company d/b/a AT&T Missouri filed with the Missouri Public Service Commission its *Application for Approval of an Amendment to an Interconnection Agreement with Parta Networks LLC* between itself and Parta Networks LLC.

2. 47 USC 252(e)(2) provides that a state commission may reject an interconnection agreement adopted by negotiation only if the agreement discriminates against a telecommunications carrier not a party to it or its implementation is not consistent with the public interest, convenience, and necessity.

3. In lieu of a Memorandum, Staff hereby states that the amendment to the Interconnection Agreement does not discriminate against telecommunications carriers not parties to it, nor is its implementation inconsistent with the public interest, convenience or necessity. A copy of the Amendment was filed with the *Application*. Southwestern Bell Telephone Company d/b/a AT&T Missouri is certificated with the Commission as an incumbent local exchange carrier. Parta Networks LLC is certificated with the Commission as a competitive local exchange.

WHEREFORE, Staff recommends the Commission approve the *Application* and grant such other and further relief as the Commission finds appropriate in the circumstances.

Respectfully submitted,
