COMES NOW the Staff of the Missouri Public Service Commission (Staff), by and through counsel, and submits its Recommendation as follows:

1. On June 29, 2022, pursuant to 20 CSR 4240-28.013(2)(B), Southwestern Bell Telephone Company, d/b/a AT&T Missouri filed with the Missouri Public Service Commission an *Application for Approval of an Amendment to an Interconnection Agreement* between itself and Socket Telecom, LLC under the provisions of the Federal Telecommunications Act of 1996.

2. On July 6, 2022, the Commission ordered Socket Telecom, LLC be made a party to the case. The Commission further ordered that any party could intervene or request a hearing by no later than July 21, 2022, and that Staff shall file its recommendation by August 5, 2022.

3. 47 U.S.C. § 252(e)(2) (1996) provides that a state commission may reject an interconnection agreement adopted by negotiation only if the agreement discriminates against a telecommunications carrier not a party to it or its implementation is not consistent with the public interest, convenience, and necessity.

4. In lieu of a Memorandum, Staff hereby states that the amendment to the Interconnection Agreement does not discriminate against telecommunications carriers not a party to it, nor is its implementation inconsistent with the public interest, convenience

or necessity. A copy of the Amendment was filed with the Application. Southwestern Bell Telephone Company d/b/a AT&T Missouri is certificated with the Commission as an incumbent local exchange carrier. Socket Telecom, LLC is certificated with the Commission as an interexchange company and a competitive local exchange carrier. No entities have intervened or requested hearing. The Company is not delinquent in any required filings with the Commission.

WHEREFORE, Staff recommends the Commission approve the Application and grant such other and further relief as the Commission finds appropriate under the circumstances.

Respectfully submitted,
