In the Matter of Bandwidth.com CLEC, LLC's) **File No. IT-2010-0127**
Filing to Introduce Its Access Services Tariff.) Tariff No. JL-2010-0254

ORDER CLOSING CASE

Issue Date: June 22, 2010

Effective Date: June 22, 2010

On October 28, 2009, AT&T Communications of the Southwest, Inc., and Southwestern Bell Telephone Company, d/b/a AT&T Missouri (collectively referred to as AT&T), filed a motion requesting that the Commission suspend and investigate the access services tariff, Tariff File No. JL-2010-0254, submitted by Bandwidth.com CLEC, LLC. The Commission issued an order directing its Staff and any other interested parties to file responses. On December 15, 2009, Bandwidth requested that the Commission hold the matter in abeyance while the parties attempted to resolve the issues regarding its tariff. AT&T and Staff did not object. The Commission granted the request and directed that status reports be filed.

Bandwidth extended the effective date of its tariff several times and the current effective date is June 24, 2010. Bandwidth also filed substitute tariff sheets at various times in order to alleviate the concerns of Staff and AT&T.

On June 17, 2010, AT&T withdrew its opposition to Bandwidth's tariff but noted reservation of its right to dispute any charges that may be assessed under the tariff.

Staff filed a response and recommendation on June 18, 2010, stating that it has no objection to the tariff and no further action is needed by the Commission.

Since there is no objection to the tariff, the Commission will take no action and the tariff will become effective by operation of law.

THE COMMISSION ORDERS THAT:

1. This case shall be closed on June 25, 2010.
2. This order shall become effective upon issuance.
