STAFF REQUEST FOR EXTENSION OF TIME

COMES NOW the Staff of the Missouri Public Service Commission and for its recommendation, states as follows:

1. On March 7, 2011, Pac-West Telecomm, Inc. ("the Company"), applied for certificate of service authority to provide interexchange telecommunications services and basic local exchange telecommunications service authority and for competitive classification. A tariff was filed with the Application that at present bears an effective date of May 9, 2011.

2. The Commission's April 5 Order required that the Staff file a recommendation on or before today, April 29. The Commission granted an extension until May 2, 2011, due to the illness of a member of the Telecommunications Staff.

3. The Staff member assigned to the application notes that it remains incomplete. The Staff was under the impression that the application would be completed by today, May 3, but the requisite documentation still has not been received. The Staff will ask the Company to extend the effective date of its proposed tariff, to allow the Company sufficient time to complete the application prior to the tariff taking effect.

WHEREFORE, the Staff requests that the Commission grant the Staff until May 13, 2011 to submit its recommendation; in the event that the Company fails to extend its tariff effective date to May 16 or later, the Staff recommends that the Commission suspend the tariff for 60 days.

Respectfully submitted,
