Re: Tariff Filing to Change the Infrastructure System Replacement Surcharge

Dear Secretary:

Enclosed for filing is P.S.C. MO. No. 5 Consolidated, Nineteenth Revised Sheet No. 12, which is applicable to both divisions of Laclede Gas Company ("Company").

This revised tariff sheet, which has an issue date of April 27, 2012 and an effective date of July 9, 2012, is being filed to change the Infrastructure System Replacement Surcharge ("ISRS") in accordance with Sections 393.1009, 393.1012 and 393.1015 of the Revised Statutes of Missouri. A full explanation of the surcharge being proposed by the Company is set forth in the *Verified Application and Petition of Laclede Gas Company to Change Its Infrastructure System Replacement Surcharge*, which is being filed separately today. As proposed herein, the ISRS would increase the typical residential heating customer's bill by 38 cents per month or approximately one-half of 1%.

Please bring this filing to the attention of the appropriate Commission personnel.

Sincerely,

A handwritten signature in cursive script that reads "Mark C. Darrell".
