**Re: Missouri-American Water Company
Water and Sewer**

Dear Ms. Dale:

On behalf of Missouri-American Water Company ("MAWC" or "Company"), I am providing herewith to the Missouri Public Service Commission ("Commission") for filing certain tariff sheets in electronic form consisting of revised water and sewer rate schedules. The rate schedules are listed on Appendix A, bear a date of issue of March 31, 2008, and an effective date of April 30, 2008.

The purpose of this filing is to implement a general rate increase for water and sewer service provided by Missouri-American Water Company. The revised water rates were designed to produce an additional \$49,622,515 in gross annual water revenues (excluding gross receipts and sales taxes) or a 26.4% increase over existing water revenues. The revised sewer rates were designed to produce an additional \$133,012 in gross annual sewer revenues (excluding gross receipts and sales taxes) or a 28.7% increase over existing sewer revenues. Provided herewith as Appendix B is a description of the impact MAWC's proposal would have on residential customers in each district utilizing an average amount of usage for that district.

Also provided in electronic form are the direct testimony and schedules of the following witnesses:

Tyler T. Bernsen
Kevin H. Dunn
Edward J. Grubb
Paul R. Herbert
Frank L. Kartmann

Finally, MAWC's Minimum Filing Requirements, as required by Commission Rule 4 CSR 240-3.030(3)(B), are contained in Appendix A attached to the Direct Testimony of Donald Petry.

Please see that this filing is brought to the attention of the appropriate Commission personnel. Thank you for your cooperation in this matter.
