Re: Interconnection, Collocation, and Resale Agreement by and between Embarq Missouri, Inc. and MCImetro Access Transmission Services LLC
Case No. TK-2008-0133

Dear Secretary:

Embarq Missouri, Inc. d/b/a Embarq ("Embarq") submits this adoption notice for approval of an Interconnection, Collocation and Resale Agreement between Embarq and MCImetro Access Transmission Services LLC ("MCImetro") pursuant to the provisions found in 4 CSR 240-3.513(4)(A) and pursuant to the Commission order of November 14, 2007. In Embarq's initial adoption letter filing of November 1, 2007, Embarq inadvertently omitted the signature page which is now included in this filing.

This agreement, to be adopted by MCImetro in its entirety, is the same agreement previously approved by the Commission in Case No. TK-2007-0156, In Re: The Master Interconnection Collocation and Resale Agreement by and Between Embarq Missouri, Inc. and AT&T Communications of the Southwest, Inc., Order issued November 21, 2006; effective December 1, 2006.

Attached is a copy of the referenced agreement's signature page, properly executed by both parties, for the Commission's files. If you have any questions or concerns, please contact Mark Grover at 913-345-6583.

Respectfully,
