the same. Applicant will provide equitable access to subscribers within the area proposed to be served. See Section 392.455.(5), RSMo.

9. Applicant requests classification as a competitive telecommunications company within the State of Missouri. Applicant believes that its proposed services will be subject to sufficient competition to justify a lesser degree of regulation. Granting of this application will allow greater price and service options for telephone users.

10. Applicant also requests, pursuant to Section 392.420 RSMo (Cum. Supp. 1992), that the Commission waive the application of the following rules and statutory provisions as it relates to the regulation of the Applicant. The following list identifies Commission rules and statutes previously waived by the Missouri Public Service Commission for other competitive telecommunications companies.
