

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of the Cancellation of the Certificate)	
of Service Authority of Ren-Tel Communications,)	
Inc., to Provide Intrastate Interexchange)	File No. XD-2013-_____
Telecommunications Services)	

MOTION TO CANCEL CERTIFICATE OF SERVICE AUTHORITY

COMES NOW the Staff of the Missouri Public Service Commission (Staff), by and through the undersigned counsel, and moves for the Missouri Public Service Commission (Commission) to cancel the certificate of service authority of Ren-Tel Communications, Inc., (Ren-Tel or Company) and associated tariff. For its Motion, Staff respectfully states as follows:

1. On August 4, 2003, the Commission granted a Certificate of Service Authority to the Company to provide intrastate interexchange telecommunications services in the state of Missouri in Case No. XA-2003-0567.

2. On March 28, 2012, the Commission received a letter from Associated Telecommunications Management Service (ATMS), the parent Company of Ren-Tel, stating that Ren-Tel discontinued providing service in Missouri on December 1, 2011. ATMS requested the Commission cancel Ren-Tel's certificate of service authority. (BCES-2012-0851) (See Attachment A).

3. Because ATMS requested cancellation of the Company's certificate and the Company is no longer providing service in Missouri, the Staff recommends the Commission cancel the certificate.

4. The Commission has the authority to cancel a telecommunications certificate pursuant to Section 392.410.5 RSMo 2000, which provides "[a]ny certificate

of service authority may be altered or modified by the commission after notice and hearing, upon its own motion or upon application of the person or company affected.”

5. The Commission need not hold a hearing, if, after proper notice and opportunity to intervene, no party requests such a hearing. *State ex rel. Rex Deffenderfer Enterprises, Inc. v. Public Service Commission*, 776 S.W.2d 494 (Mo. App. W.D. 1989).

6. The Company is delinquent on the filing of its calendar year 2008 through 2011 annual reports and payment of its fiscal year 2012 assessment.

WHEREFORE, Staff recommends the Commission cancel the certificate of service authority and associated tariff of Ren-Tel Communications, Inc., to provide intrastate interexchange telecommunications services in the state of Missouri.

Respectfully submitted,

/s/Jennifer Hernandez
