NOTICE

Primus Telecommunications, Inc. ("PTI") and Least Cost Routing, Inc. ("LCR," together "Applicants"), through undersigned counsel and pursuant to Commission Rule 4 CSR 240-2.080, hereby file their Notice in the above-referenced matter to advise the Commission as follows:

1. As referenced in Paragraph 7 of the Application and Motion for Expedited Treatment, Applicants attached as Exhibit B thereto their sample customer notice letter. Applicants file herewith the attached copy of the actual customer notification letter which reflects the date that said letter was sent, November 21, 2007.

2. In its Staff Recommendation filed in this matter on December 18, 2007, Footnote 1 references language contained in a footnote to the Application regarding PTI's announced intention to assume the fictitious name "Least Cost Routing" in the future principally for legacy LCR customers. Staff notes that any request for approval to utilize such name when assumed, will require an additional filing with this Commission. While Applicants do not necessarily agree with the Staff's suggested required filing, Applicants

acknowledge that an additional filing with this Commission would be required to effectuate the assumption of such fictitious name, and that no such relief is being sought herein.

Respectfully submitted,

LEAST COST ROUTING, Inc.

A wholly owned subsidiary of Primus Telecommunications Group, Inc.

November 21, 2007

Dear Valued Customer:

Least Cost Routing, Inc. ("LCR"), your long distance provider, and its sister company Primus Telecommunications, Inc. ("Primus") are pleased to announce that LCR will merge with and into its affiliate Primus on or about December 31, 2007. Following the merger, you will continue to enjoy the same high quality services you currently receive from LCR and will continue to receive services with the same rates, features, terms and conditions as the service you currently enjoy. You will therefore not notice any significant change in the bills that you currently receive for long distance service or in the company's customer service procedures.

We realize you have a choice of telecommunications carriers, and we appreciate your business. Please note that if you are a customer of LCR on the date of the transfer and you have not informed LCR that you have made arrangements on your own to switch to a long-distance telephone company other than Primus, your account will automatically be transferred and your contract assigned to Primus, even if you have previously arranged for a preferred carrier freeze through your local phone company. You should not be charged any carrier-change charges levied by your local telephone company. If, however, such a charge does appear on the bill from your local telephone company as a result of this transfer, please call the customer service department toll-free at 800-226-4884 and they will reimburse you or credit your account accordingly.

We look forward to continuing to provide you with quality service for many years to come. In the meantime, if you have specific questions about this notice, please contact us at 800-226-4884.

Sincerely,

Least Cost Routing, Inc. and Primus Telecommunications, Inc.

This notice is being sent to you because our records indicate that you are currently an active customer of Least Cost Routing, Inc. If this is not the case, please disregard this notice and contact LCR at 1-800-226-4884 so that we can update our records accordingly.
