NOTICE CANCELING EARLY PREHEARING CONFERENCE

On October 1, 1999, Basicphone, Inc. (Basicphone) filed a Request for Cancellation of Prehearing Conference. Basicphone indicates that it believes that the parties will be able to negotiate a stipulation and agreement without the necessity of an early prehearing conference. Basicphone indicates its belief that such a stipulation can be filed by the October 18 deadline for submission of a procedural schedule. Basicphone's Request indicates that Counsel for the Staff of the Commission and the intervenor, Southwestern Bell Telephone Company, have indicated that they do not oppose Basicphone's request for cancellation of the prehearing conference.

The parties are hereby notified that the early prehearing conference scheduled for October 5, 1999 is canceled. The requirement that the parties file a proposed procedural schedule no later than October 18,

1999, remains in effect. The parties may satisfy that requirement by filing a Stipulation and Agreement.
