Case No. ER-2007-0002

**Prepared Direct Testimony of Mark Baker**

1    **Q     PLEASE STATE YOUR NAME AND YOUR POSITION.**

2    A     My name is Mark Baker and I am currently a New Madrid County Commissioner.  
3         I was formerly Mayor of the City of New Madrid.

4    **Q     IN NEW MADRID COUNTY DO THEY HAVE JUST A SINGLE COMMISSIONER OR IS**  
5         **IT SEVERAL PERSONS ON A BOARD?**

6    A     There are three commissioners. There is one from the south end of the  
7         County, District 2, and there is one from the north end of the County, District  
8         1, which is what I am, and then we have a commissioner that is over the whole  
9         County -- that is elected by the whole county. Three all together.

Commissioner Mark Baker  
Direct Testimony

1 Q I AM AN OLD MISSOURIAN. IS THIS WHAT WE USED TO CALL THE COUNTY  
2 COURT?

3 A Yes. County Court, County Judges, yes, those were the names for them.

4 Q COMMISSIONER BAKER, WHAT DO YOU DO FOR A LIVING BESIDES BEING  
5 COMMISSIONER?

6 A I am basically a farmer as my main line of work and in the past I have worked  
7 part time for the New Madrid County Health Department.

8 Q COMMISSIONER BAKER, YOU ARE OBVIOUSLY FAMILIAR WITH NORANDA  
9 ALUMINUM?

10 A Yes, I am.

11 Q WHAT DO YOU THINK ABOUT THE PLANT AND ABOUT HOW THE PEOPLE  
12 THERE OPERATE IT AND SO ON?

13 A I think the plant is vital to not only New Madrid, but to New Madrid County and  
14 southeast Missouri as a whole. I think there's about 1,100 people that work up  
15 there, I am not sure of exactly the number, but there's a lot of them. And I  
16 know some of those people live right here in New Madrid County, but also in  
17 every county in the Boot Heel and I am sure there are a few out of state as  
18 well. Noranda is a vital employer for southeast Missouri.

1    **Q     HOW WOULD YOU DESCRIBE NORANDA AS A CORPORATE CITIZEN IN THE**  
2       **LARGER COMMUNITY?**

3    A     I think Noranda is a good corporate citizen. I know that every cause -- worthy  
4       causes or whatever you might call it -- approaches Noranda about funding or  
5       donations. I don't know what the policy is, but I know they fund lots of  
6       activities not only in New Madrid but also Sikeston and other communities in  
7       the Boot Heel.

8    **Q     FROM ALL OF THAT I TAKE IT THAT YOU BELIEVE IT WOULD BE IMPORTANT**  
9       **TO YOU AS A PUBLIC REPRESENTATIVE, A PUBLIC OFFICIAL, THAT NORANDA**  
10      **CONTINUE ITS OPERATIONS THERE IN THE SOUTHEASTERN PART OF THE**  
11      **STATE?**

12   A     Yes. It is absolutely vital that Noranda be there as an employer in this part of  
13      the state. I couldn't even begin to imagine the effect that not having Noranda  
14      or losing Noranda would have on the economy for several communities in our  
15      area.

16   **Q     AS COMMISSIONER OF NEW MADRID COUNTY DO YOU HAVE PARTICULAR**  
17      **CONCERNS ABOUT NORANDA?**

18   A     Well, I would say yes because one of my biggest concerns as Commissioner is  
19      the budget that we have to operate our County government off of. That is  
20      derived from several sources but mostly sales tax and property tax. I would  
21      hate to think about losing Noranda and the revenue that is generated due to

Commissioner Mark Baker  
Direct Testimony

1 Noranda being in this area. Especially the County and the County government -  
2 - not to mention the payrolls that are taken home by all those employees and  
3 the number of dollars that money represents as far as how many times those  
4 dollars turn over in our economy in the Boot Heel.

5 **Q CAN YOU QUANTIFY THE SIGNIFICANCE OF NORANDA TO THE TAX RECEIPTS**  
6 **IN NEW MADRID COUNTY?**

7 **A** Noranda alone pays 24% of the total taxes in New Madrid County, as well as 33%  
8 of the assessed tax paid for the New Madrid County Schools.

9 Yes. It is absolutely vital that Noranda be there as an employer in this  
10 part of the state. I couldn't even begin to imagine the effect that either not  
11 having Noranda or losing Noranda would have on the economy for several  
12 communities in our area.

13 **Q DO YOU HAVE ANY COMMENT ON THE ELECTRICITY NEEDED BY NORANDA?**

14 **A** Noranda needs an economical supply of power to remain as an important part  
15 of the southeast Missouri economy.

16 **Q COMMISSIONER BAKER, IN THIS PROCEEDING AMERENUE HAS FILED AN**  
17 **APPLICATION TO INCREASE THE RATES GENERALLY AND TO INCREASE THE**  
18 **RATE TO NORANDA. IS IT A FAIR STATEMENT OF YOUR POSITION THAT YOU**  
19 **WOULD FAVOR AN APPROACH THAT WOULD AVOID ANY UNNECESSARY**  
20 **INCREASE FOR NORANDA?**

Commissioner Mark Baker  
Direct Testimony

1    A    Yes, I would hate to see any unnecessary increase generally and to Noranda in  
2        particular. I am in favor of doing whatever that I can do to help Noranda make  
3        it where it is possible to keep their doors open and keep going and keep the  
4        business going. We just can't afford to have Noranda shut its doors and leave  
5        here. And to me that means whatever it takes to help Noranda, to make sure  
6        that Noranda is able to operate as efficiently as possible. I am in favor of it.

7    Q    **DOES THAT CONCLUDE YOUR TESTIMONY AT THIS TIME, COMMISSIONER**  
8        **BAKER?**

9    A    Yes it does.
