Case No. EC-2000-93

MOTION TO CONSOLIDATE COMPLAINT CASES

Comes now Union Electric Company, doing business as AmerenUE and respectfully requests that the Missouri Public Service Commission consolidate this complaint case with the other cases listed on Attachment 1 attached hereto. In support of this request, AmerenUE states the following:

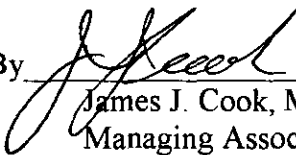

1. On August 23, 26, 30, and September 2, the Commission issued 43 Notices of Complaint against Union Electric Company.
2. All of the complaint cases have the same factual situations underlying them-- that is a series of power outages in one area of AmerenUE's electric service territory. Almost all of the complaints contain the same typed words setting out the complaint, with only the name of the complainant handwritten at the top of the pleading. As such, it is obvious that each complaint case involves the same concerns about AmerenUE's actions.
3. AmerenUE submits that its answer to the complaints, and its defense to each of them, should hearings be required will be the same in every case.
4. Some Complainants have set out specific concerns about the effects of the outages. These additional claims do not significantly change the basic claims of the complaints, nor the defense that the Company would make if the cases go to hearing.

5. The Staff of the Missouri Public Service Commission has indicated to the undersigned attorney for AmerenUE that the Staff does not object to the consolidation of this case.

WHEREFORE, for the reasons stated above, AmerenUE asks that the Commission order that this case be consolidated for all purposes, with the other similar cases set out on Attachment 1, as appropriate under the Commission's rules.

Respectfully submitted,

UNION ELECTRIC COMPANY
d/b/a AmerenUE
