APPLICATION

This Application requests, pursuant to 4 CSR 240-2.060 and § 392.410(5) RSMo, that the Commission approve the surrender of the Certificate of Service Authority (“Certificate”) of Crown Castle NG Central LLC (“CCNG-Central”). This Application is filed by the successor-in-interest of CCNG-Central, Crown Castle Fiber LLC (“Crown Castle Fiber” and together with CCNG-Central, the “Company”), because following a *Pro Forma* Consolidation (as defined below) CCNG-Central no longer exists as a separate entity. This Application also requests that the Commission, to the extent necessary, cancel CCNG-Central’s Missouri tariff(s) currently on file with the Commission.

In support of this Application, the Company states the following:

1. CCNG-Central was a Delaware limited liability company and affiliate of Crown Castle Fiber, a New York limited liability company. The Company’s principal place of business is 1220 Augusta Drive, Suite 600, Houston, Texas 77057.
2. In Missouri, CCNG-Central holds a Certificate granted by the Commission in Case No. XA-2005-0445 effective July 9, 2005 to provide basic local exchange, interexchange and non-

switched local exchange telecommunications services.¹ CCNG-Central's certificate of authority to do business from the Missouri secretary of state was provided in Case No. XN-2016-0033. Pursuant to 4 CSR 240-2.060(G), the Company requests that the certificate of authority to do business be incorporated by reference herein.

3. On December 31, 2018, CCNG-Central was consolidated into Crown Castle Fiber as part of a series of intra-company transactions whereby certain of Crown Castle Fiber's affiliates, including CCNG-Central, were consolidated into Crown Castle Fiber whereupon the separate existence of CCNG-Central ceased and Crown Castle Fiber was the surviving entity (the "*Pro Forma* Consolidation"). Crown Castle Fiber is authorized to provide non-switched local and interexchange telecommunications service pursuant to a Certificate granted by the Commission's Order issued in Case No. TA-2019-0038 effective August 23, 2018.

3. As of January 1, 2019, Crown Castle Fiber provides telecommunications services to CCNG-Central's customers pursuant to Crown Castle Fiber's Certificate and under the same rates, terms and conditions as the services previously provided pursuant to individually negotiated contracts with CCNG-Central. CCNG-Central's customers were notified of the *Pro Forma* Consolidation pursuant to the terms of individually negotiated contracts consistent with the sample customer notice provided as Exhibit A.

4. To the extent necessary, the Company also withdraws and requests cancellation of CCNG-Central's Missouri tariff currently on file with the Commission.

5. CCNG-Central does not have any pending actions or final unsatisfied judgments or decisions against it from any state or federal agency or court which involve customer service or

¹ This Certificate originally was granted to NextG Networks of Illinois, Inc. d/b/a NextG Networks Central which subsequently changed its name to Crown Castle NG Central Inc. and converted to a Delaware limited liability company in Case No. XN-2016-0033 effective August 23, 2015.

rates, which action, judgment or decision has occurred within three (3) years of the date of the application. CCNG-Central does not, to the best of the Company's knowledge, have any overdue annual reports or assessment fees.

6. The Company submits that the surrender of CCNG-Central's Certificate is reasonable, necessary and not disruptive to the present or future public interest, convenience and necessity of the State of Missouri. In addition, to the extent that CCNG-Central had any outstanding obligations, including deposits, to any Missouri customers, Crown Castle Fiber is responsible for such obligations as a result of the *Pro Forma* Consolidation.

7. Because CCNG-Central does not exist as a separate corporate entity or serve any customers or have any active operations in Missouri, the Company respectfully submits that the surrender and cancellation of CCNG-Central's Certificate and withdrawal of its tariff(s), effective January 1, 2019, are reasonable and necessary.

Sample Customer Notice

October 24, 2018

Dear Valued Customer:

Effective January 1, 2019, as a result of an internal consolidation of our legal entities, Crown Castle Fiber LLC will provide you with the solutions currently provided to you by our affiliates listed below. This consolidation makes it easier for you to do business with us by reducing the number of affiliates.

Your existing service contract(s) remain unchanged, the consolidation will have no impact on your services or your rates, and all rights and obligations under the agreements between you and your current provider will continue unaffected. If necessary, we will notify you of any changes to your billing or payment address.

If you have any questions, please contact Legal-CustomerTeam1@crowncastle.com.

Sincerely,

Crown Castle Fiber LLC
