**MOTION TO SUSPEND TIME FOR FILING PROPOSED PROCEDURAL
SCHEDULE**

COMES NOW Aquila, Inc., for its proposed procedural schedule states to the Missouri Public Service Commission (“Commission”) as follows:

1. On August 21, 2007, the Commission issued an Order Setting Prehearing Conference on September 10, 2007, and requiring the filing of a procedural schedule on or before September 17, 2007.

2. The Prehearing Conference was cancelled because the parties contacted the Commission and notified it that the parties had reached a settlement on all of the issues. The parties are in the process of executing a settlement agreement and will file same as soon as it is fully executed. In addition, Complainant, Leesa Forsee indicated to the Commission that upon executing a settlement agreement in this case, she will voluntarily dismiss this Complaint.

3. While the parties are preparing the necessary documents to resolve this Complaint, Aquila requests that the Commission suspend the requirement to file a proposed procedural schedule by September 17, 2007.

4. Aquila attempted to contact Ms. Forsee to seek her consent to file this Motion, but she was unavailable.

WHEREFORE, Aquila, Inc., respectfully requests that the Commission suspend the requirement to file a proposed procedural schedule and any other relief that may be just and necessary in this case.

Dated: September 11, 2007

Respectfully submitted,

Aquila, Inc.
