Enclosure  
cc: Counsel of Record

**BEFORE THE PUBLIC SERVICE COMMISSION  
OF THE STATE OF MISSOURI**

In the matter of a Commission Inquiry        )  
into Purchased Gas Cost Recovery.        )        Case No. GW-2001-398

**MOTION TO C LOSE CASE**

COMES NOW the Staff of the Public Service Commission of Missouri, and respectfully moves that the Commission close this case. In support of its motion Staff states:

1. The Commission established this case, and assembled its task force, to study the methods of gas cost recovery from utility customers in Missouri, and to report its findings and recommendations to the Commission.

2. The forty-member task force met, organized, deliberated and sought input from the public. In August, 2001, the task force filed its report in this case, and the Commission has considered the report at several agenda meetings. Further, the Commission has recently established a case to consider generic changes to the Purchased Gas Adjustment Clause that effectuates gas cost recovery, Case No. GO-2002-452, and has issued an order finding necessity for rulemaking on the task force recommendations for gas price mitigation, Case No. GX-2002-478.

3. There is no further action that the Commission needs to take in this case, and the Staff therefore recommends that it be closed.

Respectfully submitted,

DANA K. JOYCE  
General Counsel
