In support of its Motion, UAT respectfully states as follows:

1. On February 13, 2014, the Commission issued its *Order Canceling Certificate And Accompanying Tariff* ("Order") cancelling UAT's certificate of service authority to provide switched interexchange and non-switched local exchange telecommunications services in the state of Missouri, effective February 25, 2014.

Also, UAT either has or soon will have paid all outstanding universal service fund fees. As such, UAT will have cured all events of default, delinquency and/or deficiencies that resulted in the Commission's *Order*. Commission Staff's review of the annual report filings is pending.
