**Re: Confluence Rivers Utility Operating Company, Inc. (Sewer)  
File No. WM-2020-0282, Tracking No. YS-2021-0168**

Dear Mr. Woodruff:

Please find the enclosed substitute sewer tariff sheet 11B for filing with the Missouri Public Service Commission (Commission) on behalf of Confluence Rivers Utility Operating Company, Inc. (Confluence Rivers). On March 12, 2021, Confluence Rivers filed revised water and sewer tariff sheets pursuant to the Commission's *Order Approving Acquisition Of Water And Sewer Assets And Granting Certificates Of Convenience And Necessity* issued in Case No. WM-2020-0282.<sup>1</sup> The sewer tariff sheets were assigned Tracking No. YS-2021-0168. Each of the revised tariff sheets were to have an issue date of March 12, 2021, and a proposed effective date of April 11, 2021. However, after discussions with Staff, it was brought to our attention that tariff sheet 11B had a proposed effective date of April 11, 2020. The enclosed substitute sewer tariff sheet 11B corrects that error.

Please bring this filing to the attention of the Commission and the appropriate Commission personnel.

Sincerely,

Dean L. Cooper
