STATUS REPORT

COME NOW Laclede Gas Company (“Laclede” or “Company”) and, pursuant to the Commission’s October 27, 2006, Order Suspending Procedural Schedule and Directing Filing in the above captioned case, submits this Status Report, stating as follows:

1. As stated in the Staff’s October 27, 2006, Report to the Commission, the parties have reached a settlement, and now have only to file a notice dismissing the case. Laclede has sent such a notice to Dr. Morgan, but apparently due to the press of business in his medical practice, Dr. Morgan has not yet executed and returned the notice of dismissal for filing.

2. Laclede believes that no party will be prejudiced by continuing to hold this matter in abeyance for another 30 days to ensure that the parties have ample time to complete documentation of the settlement and effect dismissal of the above referenced case. By the end of that period, the parties will cause to be filed either a notice of dismissal or another status report.

WHEREFORE, Laclede respectfully requests that the Commission accept this Status Report, and continue to hold this matter in abeyance for 30 days, pending resolution of the settlement.

Respectfully submitted,

/s/ Rick Zucker
