File No. KA-2012-0272

VIDEO SERVICE AUTHORIZATION

Issue Date: February 29, 2012

Effective Date: February 29, 2012

On February 7, 2012, Rock Port Telephone Company, d/b/a Rock Port Cablevision, ("the Company") pursuant to §67.2679.7, RSMo 2000 (Cum. Supp. 2010), filed a notice of change application for video service authorization. On February 23, 2012, the Commission issued an order directing Staff to file a recommendation addressing the issue if video service can be authorized when fees are "unknown" as the Company had listed in its application. On February 28 the Company filed its First Amended Notice of Change Application for video service authorization in the following political subdivisions:

Political Subdivision	Fee Amount
Mound City	3%
Holt County	0%

The Commission has reviewed the application filed by the Company and finds that it and the attached affidavit comply with the filing requirements set forth in § 67.2679.7, RSMo 2000 (Cum. Supp. 2010).

Since the application has been amended, the requirement for Staff to file a recommendation is cancelled.

THE COMMISSION ORDERS THAT:

1. Rock Port Telephone Company, d/b/a Rock Port Cablevision is granted authority to provide video service in the franchise area of each political subdivision set forth in the application and restated above; and
2. Rock Port Telephone Company, d/b/a Rock Port Cablevision is granted authority to construct a video service network along, across, or on public rights-of-way for the delivery of video service to the extent the video service provider or an affiliate did not otherwise possess a valid authorization to occupy the public rights-of-way.
3. This order shall become effective upon issuance, after which this case may be closed.
