RE: File No. KA-2010-0033

Dear Mr. Van Eschen:

Time Warner Entertainment-Advance/Newhouse (TWEAN) dba Time Warner Cable filed a notice of change application to and was granted authority by the Missouri Public Service Commission to provide video service in the city of Independence on August 11, 2009. The effective date for state video authorization was October 1, 2009.

Upon review of the current local franchise between Time Warner Cable and the city of Independence, it has been determined by both parties that the existing agreement is set to expire on September 4, 2009. Accordingly, we request that the effective date of the approved state video authorization be changed from October 1, 2009 to September 4, 2009.

If you require additional information please do not hesitate to contact me at 816.222.5821.

Sincerely,

A handwritten signature in black ink, appearing to read "D. Porter", written over the word "Sincerely,".
