RESPONSE TO COMMISSION ORDER

COMES NOW Union Electric Company d/b/a Ameren Missouri (“Ameren Missouri” or “Company”) and for its *Response to Commission Order* states as follows:

1. On November 13, 2015, the Missouri Public Service Commission (“Commission”) issued an order setting the date of November 30, 2015 to provide a procedural recommendation for this docket.

2. Since that order, Ameren Missouri has been attempting to avoid increasing the amount charged to customers for decommissioning while still complying with the requirements of Nuclear Regulatory Commission regulations. The Company believes it has found a way to meet both goals but would like additional time in order to finalize its review and to obtain input from Staff and the Office of the Public Counsel.

3. In order to complete this work, Ameren Missouri requests it be given until January 15, 2015, to file its Amended Application or a Stipulation resolving this case.

WHEREFORE, Ameren Missouri respectfully requests that the Missouri Public Service Commission accept this pleading in response to the order of November 13, 2015 and that it be given until January 15, 2015 to file its Amended Application or a Stipulation resolving this case.

Respectfully submitted,

/s/ Wendy K. Tatro
