#### Title 4-DEPARTMENT OF ECONOMIC DEVELOPMENT Division 240-Public Service Commission Chapter 123-Modular Units

# SECRETARY OF STATE ADMINISTRATIVE RULES

#### (EMERGENCY AMENDMENT)

**4 CSR 240-123.030 Seals:** This proposal amends Section (3) subsections (A) and (B) and section (9).

PURPOSE: The proposed amendment increases the fees for seals and replacement seals for modular units.

EMERGENCY STATEMENT: Sections 700.010 through 700.115, RSMo., establish standards that manufactured housing and modular units must meet, in order to adequately provide for the public health, safety and welfare of the persons who buy or live in such housing. The Commission has the statutory obligation to enforce compliance with the standards that are set forth in Sections 700.010 through 700.115. In order to discharge this obligation, the Commission requires a source of revenue that is sufficient to pay its personnel, office expenses, and other costs of administering this program. The only funds that are available to cover the costs of enforcing compliance with the statutes are the funds in the Manufactured Housing and Modular Unit Program, Fund #0582. The balance of the funds available in Fund #0582 has rapidly declined in the last year, primarily because the Fund no longer receives revenues related to the regulation recreational vehicles, and the balance in the fund is not now sufficient to ensure the viability and integrity of the Manufactured Housing and Modular Unit Program. If actions to generate additional revenues are not taken immediately, the Fund will be completely depleted before a new, permanent rule can be implemented. In that event, there will be an immediate danger to the public health, safety, and welfare. The imposition of an increased fee for seals is reasonably related to the Commission's obligation to enforce compliance with the provisions of Sections 700.010 through 700.115. The Commission must have this increased fee in effect on February 3, 2003, and continuously thereafter, in order to maintain the solvency of Fund #0582. The adoption of this rule follows statutory procedures that are limited in scope to those circumstances creating this emergency and requiring emergency action, relating to the enforcement of the provisions of Sections 700.010 through 700.115; and the adoption of this rule provides regulatory procedures best calculated to assure fairness to all interested persons and parties, including modular unit manufacturers and dealers. The adoption of this rule follows procedures that comply with the protections extended to all interested persons and parties by the Missouri and United States Constitutions. Emergency Amendment filed January 24, 2003, effective February 3, 2003, expires August 2, 2003.

- (3) To be complete, an application for seals to be affixed to modular units manufactured or to be manufactured under an approved manufacturing program shall be executed by the manufacturer (or the manufacturers authorized representative if the manufacturer is a corporation) of the modular unit to which the requested seals will be affixed and shall include:
  - (A) An affidavit of the applicant or the applicant's authorized representative if the applicant is a corporation, certifying that each requested seal will be a affixed only to modular units manufactured under an approved manufacturing program and that each modular unit to which a requested seal will be affixed will comply with the code at the time it is rented, leased, sold or offered for rent, lease, or sale by the applicant[; and]. Each new Modular Unit sold or placed in the state must contain the applicable seal as specified in this section; and
  - (B) A nonrefundable fee of [eighty dollars(\$80)] one hundred ten dollars (\$110) for each seal requested. Any seals attached to new modular units after the effective date of this subsection shall include either markings that reflect payment of the full \$110 fee or a seal purchased prior to the effective date of this subsection plus tabs or other markings that reflect payment of an additional fee of thirty dollars (\$30). Seals issued for less than the full \$110 fee prior to the effective date of this subsection that do not comply with the requirements of the preceding sentence may not be attached to new modular units after the effective date of this subsection. The commission will provide the appropriate tabs or other markings to the applicant upon payment of the applicable fee. The applicable fee is to be paid at the time of application.
- (9) Any person to whom a seal has been issued or who owns a modular unit to which a seal or approved insignia has been affixed may apply for the replacement of such seal or approved insignia if it becomes lost, mutilated or otherwise unserviceable. Applications for replacement seals shall be made on the same forms and in the same manner as applications for seals are made under this rule. A fee of [twenty dollars (\$20)] forty dollars (\$40) shall be charged for a replacement seal.

Auth: section 700.040, RSMo [(1986)] 2000. Original rule filed Aug. 16, 1979, effective Dec. 15, 1979. Amended: Filed Oct. 12, 1982, effective Jan. 13, 1983. Amended: Filed June 12, 2001, effective January 30, 2002. Emergency amendment filed January 24, 2003, effective February 3, 2003, expires August 2, 2003.
